EDUCATION

California State University, East Bay - Hayward, CA

Aug 2025 - Present

MA, Interaction Design & Interactive Art (STEM)

Srishti Manipal Institute of Art, Design & Technology - Bangalore, India

2017 - 2021

B.Des, Visual Communications & Strategic Branding

WORK EXPERIENCE

Rakuten International

May 2026 - Present

Product Design Intern

San Mateo, California

- Redesigning the employee experience by identifying UX gaps across internal communication and resource channels, translating findings into interface and content improvements.
- Designing visual communication systems that unify digital platforms and on-site physical environments, extending brand and UX consistency from screen to space.
- Partnering with the Internal Communications team to ship designs across intranet tools, UX interfaces, and workplace signage in real time.

Anheuser-Busch InBev

Sept 2023 - Aug 2025

Sr. Graphic Designer

Bangalore, India

- Executed visual and experiential design within established brand systems for premium global brands including Budweiser, Corona and Hoegaarden, ensuring consistency across deliverables.
- Designed brand systems, custom typography, and packaging aligned with global guidelines and local market needs, balancing brand fidelity with production speed.
- Produced high-volume campaign toolkits, presentation decks, & trade marketing assets under tight deadlines.
- Conceptualized and executed 50+ visual and spatial designs for large-scale music festivals (Lollapalooza, Magnetic Fields, Echoes of Earth), enhancing immersive brand experiences.
- Collaborated cross-functionally with marketing, trade, and production teams to deliver integrated campaigns across retail, on-ground, and digital platforms.
- Delivered social media creatives and trade marketing assets that improved brand recall and audience engagement.

Amazon

Nov 2021 - Sept 2023

Graphic & UX Designer

Bangalore, India

- Designed user-centered experiences for 5+ global marketplaces (EU, UK, AU, IN) across on-site marketing and product surfaces, reaching millions of users.
- Led user journey mapping, task flows, wireframes, and high-fidelity prototypes to support new feature rollouts.
- Contributed to UPI payments integration on the Amazon app, improving clarity and usability of payment flows and reducing drop-offs.
- Collaborated with product managers, engineers, and researchers to iterate designs based on usability testing and stakeholder feedback.
- Applied UX best practices to improve discoverability, consistency, and conversion across digital experiences.

Creative Dignity

May 2020 - Jun 2020

UX Research & Design Intern

Bangalore, India

- Supported social-impact initiatives by conducting user research and data mapping with artisan communities.
- Collaborated with cross-functional teams to translate insights into design solutions that promoted economic opportunity and cultural preservation.

ACADEMIC PROJECTS

Kaarigar - Master's Thesis Project

Aug 2025 - Present

California State University, East Bay | Product, UX & Front-End

- Designing and building an e-commerce experience that promotes Indian handicrafts by carrying artisans' own storytelling directly to buyers.
- Leading the project end to end, from user research and UX to visual design and working front-end prototypes.
- Building functional prototypes with AI-assisted tools (Figma Make, Claude, Kiro, Cline) to test and iterate on concepts quickly.
